'MEET THE NEEDY'

Report on the 'Meet the Needy'

Academic Year 2022-2023

Introduction:

The 'Meet the Needy' initiative at Muslim Arts College, started in 14-09-2022, was designed to provide support to students and staff facing financial or personal challenges, while also extending assistance to the local community. Under the capable coordination of Dr. T. Kala Rani, the initiative has fostered a culture of empathy and generosity within the college.

Activities and Implementation:

Throughout the academic year 2022-2023, Dr. T. Kala Rani ensured that all aspects of the initiative were meticulously organized. She regularly met with teachers from various departments to explain the purpose and importance of the 'Meet the Needy' practice. These efforts were instrumental in encouraging many teachers to actively participate in the initiative by making donations.

A dedicated donation spot called 'Happy Corner' was established with the motto, 'Give what you have, Take if you need.' This area became a central point for contributions, where teachers, students, and other staff members donated books, clothing, and other essential items. The concept allowed anyone in need to take what they required without restrictions, fostering a supportive environment across the campus.

The initiative was embraced not only by students but also by staff members who utilized the resources available at 'Happy Corner.' This inclusive approach ensured that support was accessible to all members of the college community.

Community Outreach:

On 22-12-2023, as part of the initiative's community outreach efforts, a group from the college visited the Neyoor Cancer Centre. During this visit, the students and staff provided essential items and offered moral support to the patients. This visit highlighted the extension of the 'Meet the Needy' practice beyond the college, demonstrating a commitment to supporting those in need within the broader community.

Conclusion:

The 'Meet the Needy' initiative has had a significant impact during the academic year 2022-2023. The initiative has successfully involved teachers, students, and staff in a collective effort to support one another and the local community. The meticulous coordination by Dr. T. Kala Rani, along with the generous contributions from the college community, has ensured that the initiative continues to thrive. The visit to Neyoor Cancer Centre further exemplifies the initiative's reach and the positive difference it is making in the lives of those in need.

Moving forward, the college aims to expand this practice, encouraging even greater participation and extending its impact to more areas in the community.
